## POMERENE LIKENS PLUMB RAIL PLAN TO BOLSHEVISTS'

Senator Writes Workers Wall  
Street Never Proposed  
Anything So "Vicious."

WASHINGTON, Aug. 11.—"The Plumb plan is the most vicious piece of legislation that has been presented to Congress since I have been in the Senate," Senator Pomerene, Ohio, Democrat, declared today in a letter to a committee of railway employees at Columbus, O., who had asked his

views on the bill supported by labor providing for the nationalization of the railroads.

"I would feel that I was contributing to the ruin, not only of the transportation system of the country, but to its financial and industrial breakdown, if I voted for it," the Senator wrote of the measure. "It would lead not only to the ruin of the whole people, but to every railroad man as well."

Senator Pomerene said that when railway employees fully understood the Plumb plan they would be opposed to it. The measure proposed "autocracy in transportation," not democracy, as its advocates contended, Mr. Pomerene said.

"The Plumb plan out-Harriman's Harriman in his palmist days," he continued, referring to the proposal for Government purchase of the roads at a price which Senator Pomerene places at \$20,000,000,000.

"Wall Street has many vicious things to its credit in years gone by, but the captains of finance have never demanded \$20,000,000,000 of the Amer-

ican people's money at one time," the Senator continued.

"The Plumb plan has nothing akin to it outside of Bolshevism. It is worse than Socialism."

"Does it not occur to you, when not only the whole nation but the whole world is disturbed industrially, economically and financially, that we had better wait until normal conditions are restored before beginning a scheme so revolutionary as that proposed in the Plumb plan, even if it were sound?"

"This Plumb plan spells ruin for beloved America. The American public never will approve the Plumb plan or any thing akin to it."

## JEWISH INSTITUTIONS BEGIN BIG FUND MOVE

Seeking to Raise \$10,000,000 for  
Buildings in This City for  
Social Service Work.

The Federated Jewish Institutions, representing the amalgamation of twenty-nine charitable organizations in this city, will open headquarters today at the Baltimore Hotel for their united building fund campaign, through which it is proposed to raise \$10,000,000 for charitable and social service buildings in New York. Of this sum \$1,700,000 already has been collected through the subscriptions of the directors.

Col. H. A. Gulsburg is chairman of the campaign committee. He will be assisted by prominent New York citizens, including Felix Warburg, Col. Michael Friedman, Louis J. Robertson, Adolph Lewisohn, Henry Morgenthau, Mortimer L. Schiff, William Gildman, Henry P. Ramsey and others.

The success of this drive will relieve a serious inadequacy in the present hospital and charity service of the city.

## TAKE PREACHER TO COURT FOR TALKING ON CORNER

Rev. William T. Turner Had Per-  
mit, but Is Arrested as  
"Disorderly."

The Rev. William T. Turner, who has a permit to preach on certain corners of Eighth Avenue and other places in New York, was paroled early today in the Night Court until Thursday to answer a disorderly conduct charge.

The Rev. Mr. Turner says he has two mistakes in New York, has been preaching twenty years and is well known to the police because of his evangelistic work. He called on The Evening World to say that while persons have annoyed him frequently by throwing things at him at Eighth Avenue at 41st Street, none of them has been arrested.

He was indignant that the police should "call preaching the Gospel 'disorderly conduct.'" The reason given for arresting him, he said, was that it was after 11 P. M. He complained also that he was not allowed to get any witnesses to prove that those who caused his arrest were the real "disturbers." It was to give him a chance to secure these that the hearing was postponed.

**War Lectures by Fighting Professor**  
Major John N. Hauser, Professor of Military Science at Columbia, will lecture to-morrow and Thursday afternoon at 4 o'clock in Philosophy Hall, Columbia University, on "American Operations on the Western Front." Major Hauser was a member of the A. E. F. and took the artillery course at Trier, Germany. His lectures will detail work of the New England, New York and Rainbow Divisions; the lectures are free and open to the public.

**Accused by Girl, Hanged Self in Cell**  
Tony Kalugi, 45 years old, charged with attacking a twelve-year-old girl, hanged himself this morning in his cell of the Hacksack jail. He used his suspenders and the straps from his coat for his self-appointed execution.

## COACH OF U. S. ATHLETES AND HIS ALL-ALLY PRIZE WINNERS RETURN HOME

Capt. WILLIAM H. MALONEY.

Capt. Maloney's Jumpers and Run-  
ners in on Emperor, Brin-  
tling With Medals.

That glitter noticed as the Impera-  
tor came into port was due to the

number of medals aboard. Never before were so many brought on one ship, mainly due to the victorious American athletes who competed in the interallied athletic meeting in Pershing Stadium.

Among the 5,633 soldiers aboard the Emperor the athletes were officially the "371st American Athletic Unit," thirty-six officers, three enlisted men and thirty-nine civilians.

Among them were Robert L. Simpson of the University of Missouri, champion hurdler; Fred W. Kelly of San Francisco, hurdler; Charles W. Paddock of Pasadena, winner of the 100-metre and 200-metre dashes; Norman Ross of Chicago, who won all the swimming contests from 100 to 500 metres; Edward B. Egan of Yale, middleweight champion boxer of the A. E. F.; Edgar F. Caughey of San Francisco, winner of the shot-put; Clinton Larsen of Salt Lake City, who won the high jump; Solomon Butler of Dubuque College, winner of the broad jump; Lieut. Richard L. Byrd of Los Angeles, winner of the discus throw; Lieut. Earl Eaby of Chicago, winner of the 400-metre race, and Capt. William H. Maloney, coach of Deland Stanford University, who was coach of the American team.

Brig. Gen. Frank E. Hamford of the 2d Infantry Brigade of the 1st Division, and Lieut. Col. Joseph D. McKeeny, also of the 1st Division, arrived. Col. McKeeny was Quartermaster at Antwerp for a time, and said that while many of the ships sunk in the harbor of Antwerp by the Germans were being salvaged, others would have to be blown up. Brig. Gen. John J. Bradley, who had charge of the investigation of warfare work for Gen. Pershing, arrived, but would not say anything about his work.

There were 145 dogs brought here by the men on the ship, which broke the "dog record."

## MORE MEN TO BE TRIED ON NAVY GRAFT CHARGES

Officer Says More Than 25 Are  
in Custody in and Near  
New York.

That further prosecution of officers and enlisted men in the Third Naval District for alleged graft and other irregularities will be forthcoming was made known by a high official today, who said that there are more than twenty-five men in custody on various ships and at stations in and around New York.

Among the things being investigated by intelligence operatives, it was said, is the large number of cooks and stewards held on the rolls and assigned to shore duty up to the signing of the armistice.

Two men have been held on the U. S. S. Adams, stationed off Staten Island, for fifty-six days. A number

of others, with ten or twelve years in active service, have been mentioned in connection with the new trend of the wholesale Naval District investigation.
